

SEPTEMBER 2015

www.poconophotoclub.com

**Meeting is at: Northampton Community College
Keystone Hall, Second Floor Rm 202**

SEPTEMBER 15th - Meeting at 7 PM

Doug Goodell will be returning to our club with a new presentation.

3 years ago Doug presented his beautiful photos of birds and how he captures them

This time he will offer his knowledge and experience in capturing and processing beautiful images.

Panoramas & Hi-Res Mosaic Landscapes --

Composites generated by taking and combining multiple adjacent images is an impressive and growing off-shoot of digital revolution. And, its extension beyond linear form, to two dimensional mosaics greatly expands the range of opportunities for image creation. This program outlines the concepts involved and their application to achieve increases in field coverage, resolution, and/or perspective control.

It shows examples of each of these three issues, and their relations in hardware and software, at both the capture and processing stages of image preparation.

Please take a moment to visit his website:

www.goodellphotoart.com/

October Meeting:

You've got questions . . . we've got answers!

- *Have you ever wondered why some pictures have more impact than others?*
- *Does talk about "Post Processing" & "Work Flow" make your head spin?*
- *Do you wish you had a better understanding of your camera but aren't sure where to begin?*

Then October's meeting is for you!

The program will feature a variety of small groups featuring the topics of:

- **Composition**
- **Post Processing: Editing, Cropping, Re-sizing, Work Flow**
- **Basic Camera Operations: Menu Navigation**

The groups will be led by Ann LeFevre, Dick Ludwig, Eric Goins, and Terry Flatt. All members are encouraged to participate, ask questions, and share their own knowledge and expertise. Mentoring groups are small, informal and a great way to learn something new, or share what you already know. So join us on October 20th, 7-9 pm at Northampton Community College in Keystone Hall

SEPTEMBER Shoot Out: A Walk Along the Delaware

Join Ann for a "Walk Along the Delaware" on this month's Shoot Out, Saturday, September 19th. We'll meet up at the Visitor's Center (Exit 310 on Rt. 80) at 2 pm and then proceed to the foot-bridge in Portland, PA. to take in the view between New Jersey and Pennsylvania and get some shots. As we return to the Visitor Center, we'll take in a few more scenic stops along the way, and maybe grab an ice cream too! Shoot Outs are a great way to get to know other PPC members and share both expertise and inspiration. Mark your calendars and come out for the fun.

PPC Members: Out and About

Congratulations to our members who are currently exhibiting their work or have recently won awards for their photographs:

Bob and Sarina Cook, "Captured Beauty" now showing at the Clymer Library in Pocono Pines . A reception will be held on September 22, 2015, from 5:00 to 7:00 p.m.

Janice Giannolla will be featured with other artists in the Pocono Arts Council's show entitled "All About Animals". The show will be on display in the Dunning Gallery of Northampton Community College until January 29, 2016. An artist's reception will be held on Friday, October 9, 2015 from 4:00 to 6:00 PM at the Dunning Gallery.

Eric Goins received a 3rd place award for his photo "Blossom Art" in the Artspace Gallery's "Landscape Exhibition 2015".

Patricia Bregen received a Blue Ribbon at the West End Fair for her garlic picture from Rolling Hills Farm, and Narlene Jacobs, Kay Williams and Linda Herbert have been invited to exhibit their floral pictures with artist Helena Edelson.

**If you've been
OUT AND ABOUT
let us know about it.
We'd love to share
your success
stories with the
membership!**

GENERAL INFORMATION ABOUT OUR CLUB

Would you like to be a "CURTAIN RAISER"

"Curtain Raiser Photos" are the photos shown prior to the start of regular PPC monthly meetings.

- The photos can be any subject of your choosing suitable for a general audience.
- There should be a maximum of 40 images.
- The images should be in JPEG format.
- The JPEG's should be about 1MB in size so they will display at full resolution.
- The JPEG's can be any resolution – ideally a resolution of 1440 pixels on the long side of the image matches the resolution of the projector but this is not essential.
- The images can be on a USB Thumb/Flash, CD, DVD or on a camera memory card - But you must supply a USB Card Reader to plug into the computer.
- If you want to show the slides in a specific order number them by putting 01 thru 40 as the first part of the file name. This way the computer will order them 1-40.
- Curtain Raiser Presenters are scheduled by PPC President.
Contact: Terry Flatt

PLEASE LIMIT THE NUMBER OF PHOTOS TO 40. Thanks.

FACEBOOK

Pocono Photo Club is now on Facebook.

Just do a search and LIKE. Members are welcome to post pictures and photo ops. Questions are also welcome. Interaction is important and encouraged. Please keep comments positive and professional. This will be a good way for us to pass along "instant" info on trips, and photo ops.

MEMBER PHOTOS NEEDED FOR INCLUSION IN FUTURE NEWSLETTERS

Do you have an image you'd like to see published in a future PPC Newsletter?

Members can email photos to me for inclusion in future newsletters either as Headers or on other pages of the issue. There are different requirements for each type so read the information below carefully. I will be keeping a file for each member who sends photos to me so I can use their photos as the need arises. Thanks, in advance, for your photo contributions.

Email all photos to Carole Ludwig: cdphotos@ptd.net

GENERAL PHOTOS *Please size your photos as follows:*

Image Size - 5" on the longer side.

Resolution of 200 dpi.

INCLUDE: Your Name & Photo Title

Do not "Save for the Web" just save as a regular JPEG

Please email the .JPG - AS AN EMAIL ATTACHMENT.

NEWSLETTER HEADER PHOTOS (panoramas)

Panorama shots will be featured in the header of the newsletters each month. This new look has gotten many favorable comments. If you are a PPC member and have any panorama shots please send them to me via email. I'm particularly interested in seasonal shots that typify the 4 seasons visually.

The image size of the HEADER PHOTOS need to be sized as follows:

Size - 7.5" wide x 2.5" high.

Resolution 200 dpi.

Do not "Save for the Web" just save as a regular JPEG

Please email the .JPG - AS AN EMAIL ATTACHMENT.

All .JPGs should be emailed to Carole Ludwig - cdphotos@ptd.net

This is your newsletter: We would like to print information about our members.

- Are you participating in an exhibit?
- Have you won any awards for your photos?
- Info and photos on a trip you have taken?
- Do you have any photo spots, workshops, seminars that might be of interest to other members?

Please email any information or photos to:

Carole Ludwig. cdphotos@ptd.net

We would like to periodically include a new feature in the newsletter:
How was this photo created?
If you have a photo and explanation you would like to submit, please email it to:
Carole at cdphotos@ptd.net

PROGRAMS COMING UP:

OCT.- Mentoring meeting and possible guest from Palmerton Club. We are working on details. There may also be an equipment swap.

NOV.- Rick Berk will be sharing new landscape images and tips.

Composites generated by taking and combining multiple adjacent images is an impressive and growing off-shoot of digital revolution. And, its extension beyond linear form, to two dimensional mosaics greatly expands the range of opportunities for image creation. This program outlines the concepts involved and their application to achieve increases in field coverage, resolution, and/or perspective control. It shows examples of each of these three issues, and their relations in hardware and software, at both the capture and processing stages of image preparation.
